Please indicate the average % wage increase you are implementing for your front line workers.

If you already implemented and received funding for the 1% wage increase in 2015, you may choose to implement an average 2.5% wage increase effective April 1, 2016 or later.

If you did not implement and receive funding for the 1% wage increase in 2015, you may choose to implement either an average 3.5% wage increase (1% + 2.5%) or an average 2.5% increase only, effective April 1, 2016 or later.

Please indicate the effective month in which this increase will first apply for your front line workers

Description of wage or benefits increase:

Confirmation:

This organization has paid or is planning to pay an average wage increase to its front line workers as outlined below.
